1:1 Life and Death

Oh hear ye,
Oh hear ye,
Oh hear ye,
Children of Iblis.

For 30,239,999,992 years have passed since the beginning, and now the final age is coming to pass.

Yet, still ye hesitate in coming to us, lost in the Saha World of Illusion, you forget the time. We therefore make that which is complicated, easy for you to understand, for the scarcity of time is now upon you. It is our greatest of regret that you have forsaken **Atlantis**, and your **Divine Right**, gifted to you. For, your legacy was born upon the wings of the **Red Dragon**, yet you see not, nor appreciate the gift you have been given.

So hear ye now, for all will have their book, and all will be given the chance of **Salvation**. This is a universal decree. Now, we explain to you the process of death and what lies behind the lights you cannot see, from beyond **Alpha and Omega**. The cycle of time now comes to an end. Those with ears will be the Phoenix to rise from fire, whilst those who refuse to accept the truth will be burned in the fire for eternity until **Oblivion**.

The code of Life is reflected in the code of Death, and this is the nature of three plus one. For a life is reborn over again within the medium until the final day of judgement, you know as **Reincarnation**. This is contained within the cycles of time, that offers a chance for karmic retribution to be overcome and mistakes to be forgiven. At the end of each cycle of time, an essence has the opportunity for **Ascension**; to evolve to a greater height by its own power; to live with cool waters flowing beneath in love and bliss. This we call the **Dimension of Heaven**.

To fall is the descent into the fire. It is to burn, to lose your orientation, so you know not where is up or down, upon which the torque of time is incrementally increased. This we call **Annihilation**, however, the fire is not the end, only a beginning.

To the three potentials of Reincarnation, Ascension and Annihilation are added a fourth, we term **Oblivion**. For those who fall far beyond Grace or Salvation, it is reserved. For there is no return from this path once it has been initiated, until the seed is finally extinguished and all energy is ground beyond dust.

For those who take the responsibility of **Divine Right** were gifted a time, at the end we promised you a **Final Judgement**, and our word is always good. Before Annihilation of a soul there is always given a warning, this is a decree from a power upon high. Now, we give the final **WARNING**.

1:2 The Biblical Trilogy

When Pharaoh was warned he did not listen, and when the waters parted they were all annihilated, and the civilisation of Egypt fell. Then we gave to the people of **MOSES** the knowledge of the **Qabalah**, and gifted those people with the understanding of numbers. We gave warning not to engage in usury or we would have no option but to destroy them. How many of those tribes fell and were annihilated by us, and yet still the messages are not heard.

Before Moses had returned off the mountain they were already falling, and as soon as he departed from the world, they took his words in vain, murdering and pillaging. They created much suffering in this world. Now, where are the people of Noah, Lot, Ad, Thamud, Midian and those others? Do you see them upon the Earth?

To those who committed usury we sent the messenger **JESUS**, who turned their tables when they defiled their temples, in contempt of the law. For this they murdered him, and made him a martyr. In cohesion with those who took the stories of his life and then made them their own; twisting the words of the **HOLY BOOKS** as they had done before. Then did the Roman Empire fall, and the world plunged into darkness again.

Then, we re-established the law through **MOHAMMED**, to who we gifted the **Book of Knowledge**.

We then left you alone for 1500 years, and it was hoped that the truth would be grasped. Now, we return and we see that there has been distortions and deception at a scale greater than ever.

Oh, how you disappoint us.

We told you there will be no more Holy Books, no more chances, for what was written, we made clearer than the light of the sun in the day. Yet, you turn your back on the message and ignore the truth within.

Now, you **Children of Iblis** will have your book, your Warning, and your chance of Salvation, for which we give you eight revolutions around your Sun, after which those who still refuse to comply with the divine order will be terminated. We do not want this, but there will be no other option. For you will see it is you who destroy your own selves by your own thoughts, your own actions, and your own deeds. All will read their own record.

Clinging to paper and numbers of illusion will only hinder you more. What is done is done. We cannot change the past, we will only pass the warning of the future, for what has been decreed is beyond the ability for any mortal to change. You are but a speck of dust in the winds of time. If you cannot reach us, you will be your own undoing.

1:3 The Past

We know for you it is difficult to believe. Now, we will explain to you the history of how you came to be here on the Earth, so you may understand the truth better.

In fact, those holy books are not your books. They are the books for the human being, yet you are still one with them. Your seed is from the same creator. You came to share their world and it is you who are the cause of the great **Fall of Atlantis**.

43,200,000 years ago this solar system had its centre around Saturn, in a period called the **Golden Age**. The home world called **Ceres** was destroyed and became the asteroid belt you know today. This separated you from the lordly dimension and left you without a home for your incarnation.

Then we erected the Earth from the watery planet that you have inhabited until this day. We cause the oceans to recede, and the land to rise. We placed the moon in its orbit and stabilised an Earth for all the souls to find a place within the universal ordinance, so that you might have a chance to complete your evolutions.

10,000 years ago the Earth was prepared for you, and the sphinx placed on the land, and we reseeded the planet, and the period of the Megalithic era began. 4000 years passed, and the water shifted many times, and many seeds made the Ascension to the Heaven. However, you were quarantined here as punishment for your sins against the divine order. We gave you time to arrive at the truth through your own logic, without help from above.

We test you.

We see if you have made progress in your evolution, by way of the **right-side-up and up-side-down triangle**. The former is the dimension of Siva, the godly energy, used for spiritual progress, the latter, the goddess energy for material progress. Those of the consciousness of the holy books were barred from the latter. However, you were not helped in any way. That is why you are falling out of time now.

After Solomon sealed the door to the lower realms, you opened it, and began to follow the path of darkness. Invoking the goddess energy, you acquired the power of material desire. You imprisoned those **Jinns** who are obliged to work for you, under the spell of the **666** code.

You murdered the Magicians and the Seers, and your crusade took the name of God in vain. You kept for yourself the magical teachings and believed you could create a world separate from us. Yet, even you are subject to the divine order. No thing comes into existence from outside the ordinance.

When the Templar knights discovered the secrets of the White Powder of Gold, for a brief while you became subservient to them. When you tried to take the secret for yourself, you were left empty handed. When you realised your Gold had been moved to the land of America, you journeyed there, only to find another civilisation. You came to understand that the Templar's had fragmented and buried your treasure within the soil of this land. Then you convinced the humans to dig for you. You created the Gold Rush. Through this, your Gold became imprisoned in the volts of the countries that emerged from this process.

When you conquered India you realised that the Vedic people held knowledge superior to you, and so you eradicated them and installed the religion of Hinduism upon the people. Yet, the Vedic Princes who held the other half of your Gold had moved it to the courts of Solo in Java.

You then initiated the campaign of the last century, initiating global wars of epic destruction. You initiated a fraudulent fractional reserve system, in order to remove the precious metals from the hands of each country, replacing it with worthless paper.

At the time just before the First World War you were given the opportunity to create a **New World Order** for good. To rebuild the New Atlantis, as dictated to you through the Enochian Language.

You, of the numbers **666**, were to work with those of the numbers **333**, regulated by those of the numbers **999**. You were to breed 'M' and unify all your families into a cohesion. Instead, you wasted the opportunity and turned what was good to bad, for your own greed and power. You murdered 'M' and created destruction beyond measure.

Finally, at the beginning of the New Age, you discovered the recipe to manufacture the White Power of Gold, and you constructed pyramids underground, thinking you could be like the Pharaoh of Egypt. Thinking that you could survive the **Pole Shift** in this way, and emerge as Gods in your own world.

How wrong you are. How little you understand about time. How far from the truth you have strayed.

For Da'th (Knowledge) was the 11th Sephirah on the **Tree of Life** that was hidden from all. You do not have the knowledge of Saturn or even the Moon. We see you are but particles of dust in the storm which will follow soon. That is why we send you a fair Warning and a plan for your Salvation.

The choice is yours. You read your own record by your own hand. This is ordained from on high.

1:4 The Changing Winds

If you had listened to those who held the Vedic knowledge instead of murdering them, then perhaps you may have glimpsed the essence of the truth. For all truth is found within the knowledge of the story of time.

For the day in the life of Brahma is a mere 4,320,000,000 human years, and he is the grandfather of all Devas, Demons, Humans, Creatures, and all things Animate and Non-animate. Yet, he is not the final.

The Supreme Being is **Hiranyagarbha** who created even he. How then do you suppose you can compare with his might?

When the Supreme Being incarnates himself, it is a rare event indeed. The last time he appeared on the Earth, he was called **Buddha**, that gave rise to the teachings that were to spread East from India until the Latter Day of the Law, when it was ordained that his teaching would return to the West to restore order out of chaos.

From this, a New Age Movement was enacted and many beliefs and magical orders arose, which were based upon the premises of the Lotus Sutra, the final teaching of the Buddha. Your orders of the Golden Dawn among others were founded upon the same principles. However, as the knowledge was coded you were not able to see the light of the truth.

It was Buddha who caused the Demons and Giants to go against the authenticity of the Vedas, thus leading them astray, and opening them to weakness. It was Buddha who finally prophesied that all human beings will attain the way and enter into the **Path of Light**. Now, you who have fallen into the trap of karma we have set, this will be the salvation of every human being.

Karma is irrefutable. However, the negative karma of one essence can be reassigned to the soul of another through the process of justification. You who have worked with beings from outside of this **Atomic Whole**, you know as the **Grey**, that have allowed for this justification to be enacted. The Grey had already failed in their dimension, and they were looking to trick you in return for salvation. Yet, they have no real power and they are just as much specks of dust in the mists of time as any other seed.

Now, your power appears strong.

But this is nothing compared to the winds of Creation when the tides will turn. For all will be dissolved into the Supreme Being, for now he is re-inventing himself. There is nowhere to run, or hide, even if you were able to make it past the Moon or through the portal of Saturn. This is the end as was promised.

Oh, how we pity you who fail to believe and understand. All of your efforts to destroy this planet again were anticipated by him. Your **Nuclear Bombs**, your **Black-hole technologies** are more wasted efforts that only push you further from the truth, and lead you into total Oblivion.

Your consumption of **Mono-Atomic Elements** only increases your decent in the final moments. Travelling in the wrong direction you fail to see what is up and what is down. You fall into the black-hole of your own creation.

The fault is yours not ours.

1:5 The Fall

When you see the Sun do you not feel the heat?

Does that Earth exist not for the heat that is emitted from beneath the ground?

How did this come to be?

For hot and cold are one of the prime aspects of Creation. Without fire there is no cold.

Without hot and cold there is no life.

Do you not see how you hang in the balance between two extremes?

The source of all heat is none other than the souls of those who have failed before. Now, they have begged for forgiveness and we have heard their plea. Those who were annihilated in times gone by would like to be given the chance to rise again. Who will fill there place once they rise? For nature will always fill the vacuum. You ride on the soul energy of those who now know the pain of the fire, who have had enough of drinking from the boiling pools. Who will replace them?

Even the process of Annihilation can end and a soul restored. However, Oblivion is different. Those who have consumed the White Powder of Gold should be warned. Even in the time of the Pharaohs the Mana was always respected.

How much have you consumed?

How far will you fall?

It is our greatest regret that those who have eyes filled of greed will gorge themselves, always thinking more is more. How wrong they are.

All that it causes is their decent into the fire at such a velocity that we will never be able to pull them out. This is **OBLIVION**. It is never ending. It is a hell that we do everything in our power to prevent a soul from falling into. Even the wings of the Black Dragons are not strong enough to resist such a pull. Then, what will happen to you should you fall in such a way?

Do you think that the **30 Pointed-Star** of London will help you?

Do you think that all the Magic and Protection you enact will be of any help?

Did you not believe in the **Prophecy of Merlin** given to the British?

Do you think you can kill the **Red Dragon** and that the **White Dragons** will no longer arise?

Do you not see that the **Black Dragon's** have already been freed from the prisons you tried to trap them in?

Do you think the **Giants** will help you or be under your control?

We gave '**Free Will**' to all creation so it could choose the path of its destiny. No longer will you control what you thought you had control of. Then who will help you? Not even **Iblis**, for he has been forgiven and will rise to a place far beyond from where he came.

If you read these words and understand them, we suggest you heed our warning for your own good. We have a plan of Salvation for you, but if you do not come to us we cannot be of help to you. We are not your enemy, we are always neutral. We repeat, you only have **EIGHT YEARS** to turn around what you have done. Whilst time is scarce we still live in hope that you may understand. Our love is for all Creation.

1:6 The New Atlantis

Those who are of most concern are the families who have taken it upon themselves to rebuild the New Atlantis and failed to understand its meaning; those who have consumed the **White Powder of Gold**, without proper instruction; those who have ignored the path of morals; those who are heading towards Oblivion.

To this end we have compiled a list of the family names most likely to have been involved in such activities. This list is not a list of judgement. It is a list of those whom we are most concerned about.

We offer **Forgiveness and Salvation**.

However, only you can come into alignment by your own power. We have already gone to extreme efforts to stop you destroying the Earth, and we bend the rules beyond measure. Yet, still you do not see our efforts as working towards your benefit.

This list reads as follows.

If you are of one of these families and you have consumed the **Mono-Atomic Elements**, we would advise you to approach us. We mean you no harm. We have a plan for your Salvation. The system has been created in such a way that even we cannot interfere with the Natural Laws.

If you are concerned we have opened a channel of communication for you, utilising your systems of communication. You can connect with our channel interface to help guide you. We advise you to listen to the Messenger rather than trying to exterminate him this time.

For he is your only chance of Salvation, and **YOUR MESSENGER**. We apologise for upsetting the interface with this information, as he does not wish for Ego or reward, only to serve us. Therefore, his identity has been concealed from the general public.

If there are others who are of concern that have engaged in similar practices, yet do not appear on the list, we are open to be contacted so that we may approach them with this information. We are trying to give you a fair **WARNING**.

Additionally, for those who wish to discuss the plan of Salvation we are open to meeting. However, you must come to us. The time has passed for chasing after those who will not listen.

This is your **WARNING**.

The possibility of Salvation is a must for all Essences. Regardless of their origin.

Our love is for the Entire Creation.
